Terms and Conditons of Sale

ORDERS: State size desired and give specific shipping instructions—whether by freight, express or motor, date of delivery and to whom notice of delivery and invoice is to be sent. If no shipping instructions are included we will ship by best carriage. If no date is specified we will ship at once or as soon as weather or conditions of plants allow.

LINING OUT STOCK. Lining out material is shipped bare root with the roots puddled and protected with damp moss. Azaleas and Rhododendrons having a natural ball are protected with paper.

SPECIMEN PLANTS. All specimen stock is shipped balled and burlapped except small Boxwood and Lilacs. These items are mossed.

TRANSPORTATION. All shipments are adequately packed and shipped over the Central New Jersey or Pennsylvania Railroads, or by motor freight. We can arrange truck load deliveries to Philadelphia for \$18.00, New York City \$40.00 and Baltimore \$45.00, other distances in proportion.

PRICES: We quote 1 to 50 plants of ONE KIND at the 10 rate, 50 to 300 at the 100 rate and over 300 at the 1000 rate. Packing at cost of material.

TERMS: Orders from people unknown to us will be shipped C. O. D. unless arrangements for credit are made in advance. Regular accounts are due net cash 30 days from date of invoice.

GUARANTEE: Our stock is true to name and is of size and quality represented. We give no warranty, expressed or implied, as to descriptin, quality, productiveness, or any other matter of any nursery stock, seeds, bulbs we sell and we will not in any way be responsible for the crop. No liability is assumed for failure or delay in filling orders due to strikes, accidents, crop failures or shortages and other causes beyond control of seller.

INSPECTION: All plants shipped OUTSIDE the Japanese Beelte Quarantine ARE accompanied with a Japanese Beetle Certificate. Shipments inside the Japanese Beetle Quarantine Zone will NOT have a Japanese Beetle Certificate unless requested. All shipments ARE accompanied with a New Jersey Certificate of Health.

CLAIMS: If stock is unsatisfactory claim should be made promptly upon receipt of goods. No claims will be allowed after 10 days from receipt of goods. If purchaser does not accept goods on above conditions they must be returned at once.
